b. Acceptance shall be conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or otherwise stated in the Contract. JALLC General Contract Terms and Conditions Index of Clauses

- 1) Sexual Exploitation is any actual or attempted abuse of a position of vulnerability, differential power, or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another. Acts that constitute sexual exploitation include, but are not limited to, the exchange of money, goods or other commodities and or services, employment or any exchange of assistance that is due to the local population in exchange for sex, including sexual favours or other forms of humiliating, degrading or exploitative behaviour. All such transactional sex, including the exploitation of the prostitution of others, is a form of sexual exploitation. Sexual relationships based on inherently unequal power dynamics are a form of sexual exploitation.
 - 2) Sexual abuse is any actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions. Acts that constitute sexual abuse include, but are not limited to, any action or behaviour of a sexual nature that coerces, threatens or forces a person to engage in a sexual activity, or any unlawful sexual activity with a person under the age of 18.
- c. Contractor and Contractor's Employees will also not engage in any conduct that would constitute sexual harassment:
- 1) SH is any unwelcome and unwanted behaviour of a sexual nature, whether verbal or physical that is offensive and creates a hostile or intimidating work environment.
 - 2) SH may include unwelcome sexual advances, unsolicited requests for sexual favours, or any other behaviour of a sexual nature that might reasonably be expected or be perceived to intimidate, cause offense or humiliation to another, when such conduct interferes with work or is made a condition of employment. SH is particularly egregious when it is linked with direct or implied threats or promises about career prospects ("quid pro quo" harassment).
 - 3) SH may occur between persons of any gender who can be either the target or the perpetrators of SH
- d. Contractor and Contractor's Employees will also not engage in any conduct that would constitute workplace discrimination (i.e. gender, race or ethnic origin, religion or belief, disability, age or sexual orientation, etc.) and others counter to JALLC and NATO's code of conduct policies.

JALLC General Contract Terms and Conditions Index of Clauses

- e. In the performance of the Contract, should sufficient information of conduct described above against the Contractor or Contractor's Employees be brought to JALLC's attention, JALLC shall commence a review into the Contractor's or Contractor's Employees' conduct in this regard in accordance with JALLC regulations, rules, policies and procedures.
- f. The Contractor acknowledges and agrees that any breach of any of the provisions set forth in this Clause, shall constitute a breach of an essential term of the Contract, and, in addition to any other legal rights or remedies available to any person, may give rise to grounds for suspension or termination of the Contract. In addition, nothing herein shall limit the right of JALLC to refer any alleged breach of the foregoing standards of conduct or any other terms of the Contract to the relevant national authorities for appropriate legal action.

42. Organisational Conflicts Of Interest (OCI)

- a. Organisational conflicts of interest may occur when factors create an actual or potential conflict of interest on an instant contract, or when the nature of the work performed on the instant contract creates an actual or potential conflict of interest on a future acquisition. In the latter case, some restrictions on future activities of the contractor may result.
- b. Contractors must implement a programme to monitor, detect, and mitigate/remediate organisational conflicts of interest. While Contracting Officers retain authority to approve mitigation or remediation measures once organizational conflicts of interest are identified, the primary burden of detecting, identifying and disclosing organisational conflicts of interest to the contracting officer and proposing suitable mitigation or remediation measures falls on the contractor.
- c. The two underlying principles regarding organisational conflicts of interest are:
 - 1) Proprietary information that was obtained from a NATO official, staff member, or NATO contractor without proper authorisation; or
 - 2) Information that is relevant to the contract but is not available to all competitors, where such information would assist that contractor in obtaining the contract.
- d. Contracting officers and potential bidders shall analyse planned acquisitions in order to:
 - 3) Identify and evaluate potential organisational conflicts of interest as early in the acquisition process as possible; and
 - 4) Avoid, neutralise, or mitigate significant potential conflicts before contract award, where possible, or post award when the organizational conflict of interest is not revealed prior to award.

- e. The contracting officer shall award the contract to the apparent successful bidder unless a conflict of interest is determined to exist that cannot be avoided or mitigated. Before determining to withhold award based on conflict of interest considerations, the contracting officer shall notify the contractor, provide the reasons therefor, and allow the contractor a reasonable opportunity to respond. If the contracting officer finds that it is in the best interest of the JALLC to award the contract notwithstanding a conflict of interest, the Contracting Officer will issue a waiver and disclose the award and the existence of the organisational conflict of interest to the Financial Controller. The waiver request and decision shall be included in the contract file.

- f. Obligations of the Parties:
 - 5) When a Contractor or Prospective Contractor becomes aware of the existence or potential for an organisational conflict of interest, the Contractor is obligated to disclose the existence, nature, and supporting evidence of the conflict. Contractors or Prospective Contractors will be deemed to be aware of the existence or potential for an organisational conflict of interest when the Contractor or Prospective Contractor actually knows or reasonably should know of the existence of the actual or potential organisational conflict of interest.

 - 6) If the Contracting Officer becomes reasonably aware that the award of a contract will restrict the contractor's eligibility for future contract work, the Contracting Officer will disclose this fact in writing to the Contractor prior to the award, where practicable, and will permit the Contractor or prospective Contractor 7 days to make an election regarding award, discontinuing performance, or submitting an OCI mitigation plan for the Contracting Officer's approval. The sufficiency of the OCI mitigation plan is in the Contracting Officer's sole discretion.
